NOORDWIJKERHOUT

Welcome!

Sunny holiday greetings from campsite Sollasi!

A family campsite located on the Oosterduinse Lake in between bulb fields and on the edge of forest and dunes. The camping plots for tents, camper vans and caravans are all spacious and surrounded by greenery with hook-ups for electricity. There are water hook-ups on all the meadows for general use.

Our sanitary facilities are comfortable and hygienic. For babies and toddlers we have a heated baby washbasin. There is a separate disposal site for chemical toilets.

Have a great time enjoying sports, games and entertainment. The children can enjoy themselves on the playground, and you can go sailing, surfing, swimming, fishing or sunbathing by or on the Oosterduinse Lake. At the adjacent bungalow park Sollasi you will find tennis courts, entertainment in the cafeteria or you can take part in various activities (for young and old), which are organised by our entertainment team.

There is a launderette on the campsite and a restaurant and store at bungalow park Sollasi.

The North Sea beach is only 2.5 km from the campsite; enjoy a bike ride or a lovely walk there or just go to enjoy the sun and the sea. Visit the Keukenhof, the Linneaushof (Europe's largest playground) or one of the other wonderful attractions in the vicinity.
